

# “T” NOBLE LATE HARVEST 2020

## TASTING NOTES

We are blessed with botrytis most years and with multiple pickings manage to maintain a perfect natural acid balance with the sweetness, creating a wine of exceptional finesse and balance.

We allow the juice to ferment and age in 400 L new French oak barrels. This golden wine with fresh, sumptuous peach, dried apricot flavours, overlaid with a tropical lushness of melon and pineapple. Ripe sweetness, yet tangy, with sweet and sour zip flavours like baked apples with clove spice, wood spice and honey on the finish.

Serve with fruit tarts, wild berries and ice cream; and full flavoured cheese.
