

THE BARREL

TASTING NOTES

What started as a barrel tasting with Ken and some local heroes, 6 years ago, has now become an annual December release.

"The Barrel" was the result of a long barrel wine tasting and the concept was to bottle the very best young barrels in the cellar – directly from the barrel, unfiltered and only in numbered magnum and double magnum bottles.

Grapes are from the very finest Mourvèdre vineyards planted in Stellenbosch.

This is a smooth, rich wine with powerful black fruit, vanilla, cocoa, and earthy notes.

GRAPE VARIETIES
